

The Institute of
Builders Merchants

Advancing the profession of merchanting

BENEFITS FOR MERCHANTS
AND THEIR STAFF

Building excellence
in materials supply

The Institute of
Builders Merchants

The professional body for the builders merchants industry

- Supports and advances the profession of merchanting
- Awards accredited qualifications and CPD that set the standard in the industry

“ Being a member of the IOBM is the mark of excellence for an individual and the proof of an employer’s commitment to the professional development of their people. ”

The Institute of
Builders Merchants

Re-launching the IOBM

The IOBM needs your support to gain national recognition for the profession of merchanning

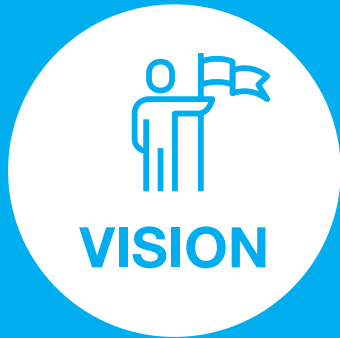

- Major re-launch programme commencing 2022
- First conference for members in October 2022

“ Prime focus is to help its members build excellent careers in merchanning, by creating a framework of accredited qualifications, recognised by employers in the sector, that will help develop their skills and advance their careers. ”

The Institute of
Builders Merchants

The role of the IOBM is to drive the advancement of professionalism in merchanting

VISION

Advancement of the profession of merchanting

MISSION

Define and promote the 'profession' of merchanting and provide recognised, accredited qualifications to enable individuals to excel and advance their careers in the industry

VALUES

Professional, accessible, inclusive, nurturing, ambitious, forward-looking

The Institute of Builders Merchants

Attract and retain talented people by helping them gain recognised, accredited qualifications, that are specifically designed to raise the standard of their skills in merchanting.

Benefits for merchants
