## An introduction to Specialist Risk Insurance Solutions

Specialist Risk Insurance Solutions (SRIS) is the BMF's trusted strategic partner for the provision of business insurance to our members.

Their team of specialists understand the intricacies and nuances of our sector and can tailor appropriate insurance solutions to accommodate the risks you are exposed to.

SRIS is a part of Specialist Risk Group, one of the fastest-growing groups of insurance intermediaries in the UK.

With their team's combined experience, they have worked with builders merchants for many years and have an in-depth knowledge of the industry and the risks faced by businesses in this sector.

SRIS has **vast expertise** in the placement of Property, Liability and Motor Fleet insurance, particularly with specialist insurers that not all brokers can access.

They place people at the heart of everything they do, focusing on culture, respect and support.

## Why SRIS?

Their team of experts tailor robust insurance programmes and provide specialist risk management advice to suit the specific needs of builders merchants and suppliers like you.

Their claims service can be tailored to your business's specific requirements and the team can provide a confidential review of your existing insurance policies to identify areas for improvement in your cover.

As an SRIS client, you will be supported by a team of insurance specialists who are on hand whenever you need them.

**Members enquiring about the service can request a Free Cyber Security intelligence report and/or a Free Credit Risk review of their current suppliers.**

Contact **07867 369939** or **07823 561126** for further details.

## Insurance solutions specific to your business

### COMMERCIAL COMBINED

Protect your business assets, property, plant/machinery and the loss of income you would have received had an incident not happened or if you are unable to trade.

### MOTOR FLEET

All aspects of motor insurance including fleet, grey fleet and personal cars, with enhancements that are specific to builders merchants' main fleet exposures.

### CYBER/CRIME

Should your business fall victim to a cyber-attack, with key systems becoming disrupted and customer data being stolen, Cyber cover provides critical protection and support with managing such incidents.

A Cyber policy can also provide access to a fully resourced response service, including forensic IT specialists, lawyers, PR and communication experts, as well as ongoing credit monitoring for affected third parties. Crime cover will reimburse the business should you fall victim to a payment fraud/impersonation or social engineering scam.

### TRADE CREDIT

Safeguarding your business against the risk of not being paid for your products and services should your customers default on their payments due to poor cash flow, become insolvent or go bankrupt.

With Trade Credit cover, you also have access to detailed guidance and improved insight into the creditworthiness of current and potential buyers.
